

Request for Monthly Payments Form

Sentio University's Request for Monthly Payments Form is provided for students to notify the University of their request to make monthly payments instead of on a per-semester basis. The request will be reviewed and the student will be notified of the institution's decision within 14 business days of receipt.

Students who are approved to make monthly payments are still responsible for the full amount owed for any given semester. The payment amount will depend on the number of courses offered in the semester and any financial assistance received by the student. Students must submit payment within five business days after the start of the new payment period. A \$35 late fee will be added to all late payments. There are no additional financing fees or interest charges. Students who maintain a balance from a previous payment period will not be allowed to begin a new semester until the balance is paid.

Students who are approved to make monthly payments and fail to pay installations on time on more than two occasions may lose eligibility to continue making monthly payments the following semester.

Complete all fields, and email the completed form to admin@sentio.org.
